You Can Be the Program Hero!

Imagine yourself as the hero of programming and events. Assessing and learning about antiques has become a spectator sport and *Connie Sue, Inc.* can provide a talk or seminar to thrill participants. After you choose a date and a topic we'll send an email invitation and flier template ready for customization with your organization's name and event details.

A selection of seminars will educate and entertain your business, industry, organization, or clients. And any topic can be shortened for luncheons, breakfast meetings, or other gatherings that offer a short but informative program. (approx. 30 minutes). [Click here for our house blends](#).

The *American Antiques* and *Personal Property Disposition* seminars can be half day or full day workshops. And as always, people may bring their own antiques for discussion, learning, and appraisal. They can also explore a special topic like furniture, glass or textiles. Add some fun to the meetings you must plan and attend. [See our Seminar Module Menu](#).
